

Love your eyes? Sign up for VSP.

You only want the best for your eyes and VSP can keep them healthy.

Eyecare is important. No one would argue that. But good health and clear vision don't just happen. You need annual eye exams from an eye doctor you can trust, new prescription glasses or contacts and a continuous program to catch and treat problems before they become serious health issues.

With VSP coverage, you'll keep your eyes healthy. Plus, you'll get great savings on glasses and contacts and discounts on laser vision correction.

With VSP coverage you'll receive:
